BRINK**

# Innovations

## In Species Recovery & People Engagement

On 6<sup>th</sup> – 8<sup>th</sup> July 2021 Back from the Brink will be hosting a free virtual conference for practitioners and volunteers in species conservation and people engagement.

Listen, learn and discuss with us how over the over the last four years Back from the Brink has:

- turned around the fortunes of over a hundred threatened species through a collaborative 'multi-taxa' approach
- enhanced the habitats and niches that they depend on through diverse management techniques
- inspired a nation to better connect with nature through innovative engagement methods

### 6<sup>th</sup> July – People, Engagement and Connection

Arts, imagery and nature connection

### 7<sup>th</sup> July – Species, Recovery and Management 1

Farmland and bare ground habitats

### 8<sup>th</sup> July – Species, Recovery and Management 2

Veteran trees and woodland (Ancients of the Future)

If you would be interested in attending any part of the conference and would like to be updated when bookings become available, please email [backfromthebrink@rspb.org.uk](mailto:backfromthebrink@rspb.org.uk)

We will add your email to a mailing list that will **only** be used to send you updates about our conference – the booking information and updates to our programme. If you have colleagues or associates that you think would be interested in our conference, please pass this flyer onto them.
